Rivermont Shopping Center is at the Southeast
corner of Holcomb Bridge Rd & Nesbit Ferry Rd.

2010 Woodworking Symposium March 12-14, 2010

Make a Side Table
from a Single,
Rough-Sawn Board

with

Kelly Mehler

The Presenter:

Kelly Mehler opened his commercial furniture making shop in 1978 in Berea, Kentucky, a town known for an abundance of local artisans. Kelly's shop was featured in *The*

Workshop Book (Scott Landis, Taunton Press). His woodworking business has been devoted to finely crafted custom pieces that emphasize the beauty of the natural color and grain of hardwoods.

Kelly's formal training began at the University of Cincinnati's Ohio College of Applied Science in 1974. He continued to study Industrial Arts at Berea College in Kentucky where he was mentored by instructor and wood turner Rude Osolnik.

Kelly Mehler lectures throughout the United States. He is the author of *The Tablesaw Book* (1992/2002, Taunton Press) and is featured in two *Fine Woodworking* videos, *Build a Shaker Table With Kelly Mehler*, and *Mastering Your Tablesaw*. Kelly has contributed numerous articles to *Fine Woodworking* magazine, and has been published in *Wood* magazine (Better Homes and Gardens), *American Woodworker*, *Popular Woodworking*, *Woodworker's Journal*, *Custom Woodworking Business* magazine, and in the *Time / Life* woodworking book series.

For more information, and to view his gallery, visit Kelly at:

www.kellymehler.com

The Course:

Start with a rough board, lay out the pieces taking into consideration matching and economy of cuts.

Rough mill all of the pieces for the table - setup and tune the jointer, thickness planer, band saw and table saw. Techniques on using these tools correctly and safely - including a kickback demonstration at the table saw.

Resaw, book match, and glue up the top.

Mill the legs and mortise with a plunge router.

Taper the legs at the jointer.

Show ways to make tenons on the aprons - router table, dado blades, and band sawing.

Tricks and techniques for fitting the tenons

Pegging the mortise with square pegs.

Assembly of the table and final cutting of the table top to size with talk about overhangs, edge treatments, and attachment.

Comments on dovetailing, hand planes and the list goes on....

Several pieces from Kelly's Gallery
